

December

The days are getting shorter and the weather is getting colder! Keep kids engaged by counting down the last month of the year with math on their mind.

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
					1 Eat a Red Apple Day. Bring an apple for your teachers!	2
3 	4 National Cookie Day. If you split a cookie evenly with 3 friends, what fraction of the cookie would you have? 	5 	6 	7 	8 Pretend To Be a Time Traveler Day. If you could time travel, how many years would you go back? 	9 Grace Hopper's Birthday! She was an early programmer of the Harvard Mark 1 computer. Write down 3 ways you use the computer to learn.
10 Dewey Decimal System Day. Go to the library and find a good book using the Dewey Decimal System. 	11 	12 Poinsettia Day. Poinsettias make up 23% of all potted plant sales in a year. If one million plants were sold, how many were poinsettias?	13 Hot Chocolate Day. With the help of an adult, make a glass of hot chocolate. What ratio of milk to chocolate powder are you using? 	14 	15 	16 Grace Hopper's Birthday! She was an early programmer of the Harvard Mark 1 computer. Write down 3 ways you use the computer to learn.
17 	18 	19 Do Something Nice for Your Parents Today! Think of 1 way you can help around the house.	20 	21 First Day of Winter. What is the temperature outside?	22 	23 Roots Day. Celebrate your heritage by learning about your family tree!
24 What are your New Years resolutions? 31	25 	26	27 Cut Out a Snowflake Day. How many points does a snowflake have? 	28 Try DreamBox Learning: where serious learning is seriously fun! www.dreambox.com 	29	30 It's almost New Year's Eve! How many days are in a year? How many hours? Minutes?
