

dreambox[®] NATION

A COMMUNITY FOR EDUCATORS

Be a part of DreamBox Nation™

Created for educators like you, DreamBox Nation is an online professional learning community dedicated to improving student achievement. Accessible directly from the Insight Dashboard, you can continuously learn with—and from—other educators about teaching and learning best practices and proven strategies for implementing DreamBox Learning[®] Math with success.

By joining DreamBox Nation, you will:

Make connections and exchange ideas

See how fellow educators across the country are using DreamBox to drive achievement. Access tips, tools, and ideas you can use right away to maximize results. Complete challenges and/or participate in rich, teacher-to-teacher discussions on the topics you care about most.

Enjoy a direct line to DreamBox

Provide feedback, share ideas, and showcase your successes to the DreamBox team. Product, learning, and implementation experts are just a click away to answer your questions!

Build status and earn rewards

As you contribute to and collaborate with the community, you'll earn points toward a variety of rewards, including classroom prizes, resources, subscriptions, and more!

This community offers opportunities to enhance the way you learn, grow and expand the benefits of being a DreamBox Learning educator.

Getting Started with DreamBox Nation™

How to Access DreamBox Nation

Step 1:

Log in to your Insight Dashboard

Step 2:

Navigate to the 'Resources' tab

Step 3:

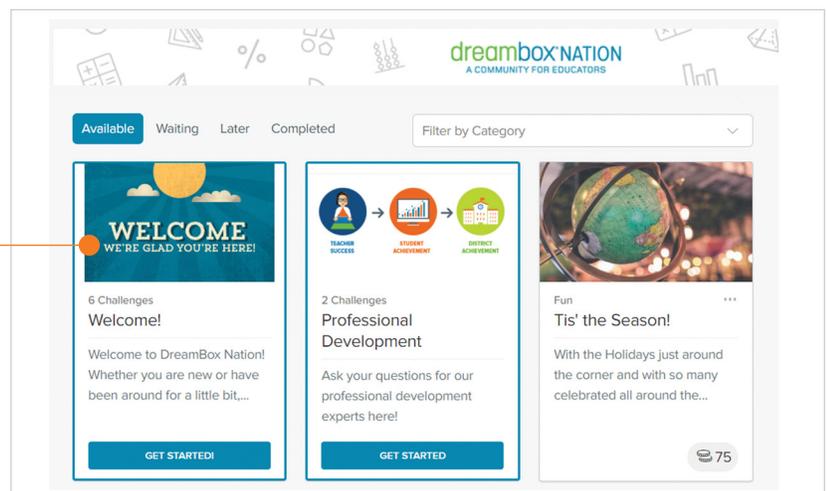

Scroll down and click on 'DreamBox Nation'

Step 4:

Complete the Welcome Experience to get familiar with DreamBox Nation and learn how being a DreamBox Advocate can amplify your educator experience.

That's all it takes to join our national educator community. Remember to come back often for peer insights—you can also complete challenges and earn rewards each time you log in!

Need Additional Support? Our Client Success team is available by phone Monday through Friday, from 5:00 AM PST – 5:00 PM PST, at 877.451.7845, ext 3. Or visit: support.dreambox.com/s

ABOUT DREAMBOX LEARNING

DreamBox Learning is the only K-8 digital math program powered by students, built by and for educators, and independently proven to positively impact student achievement. Both during and between lessons, DreamBox dynamically adapts and differentiates in real time based not only on students' answers, but also on how they solve problems. By automatically and continually supporting all students at their right level, DreamBox is a powerful partner in every classroom, school, and district. Along with actionable reporting and tools that empower classroom differentiation for all learners, DreamBox also gives teachers content-specific professional development relevant to the math their students are learning, provides administrators with insights about how all students are progressing, and enables strong connections between home and school.
