

February

February is I ♥ Math Month! The shortest month of the year is jam packed with all sorts of days that remind us how powerful and useful math is. Celebrate every day with a little bit of math and see how math is all around us!

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
				1	2 Groundhog Day How many extra days of winter do we get if the groundhog sees his shadow?	3 National Women Physicians Day Today is the birthday of Dr. Elizabeth Blackwell, the first woman to receive a medical degree in the US in 1849.
4	5	6	7 Periodic Table Day There are currently 118 elements and the table keeps growing!	8 National Kite Flying Day A typical kite is a quadrilateral – which means it has 4 straight sides	9	10
11 National Inventors Day From phones to cars to lightbulbs, people like you, thought of these revolutionary ideas! Invent something today! Draw/write it down.	12	13	14 Happy Valentine's Day ♥ Show your friends and family how much you appreciate them by making them a Valentine's day card!	15	16	17 National Random Acts of Kindness Day Little acts of kindness can make BIG differences! Do 3 random acts of kindness today!
18	19 Presidents Day Today we honor all the presidents of the United States! We are on our 45th president. Count how many presidents you can name!	20	21	22	23	24 National Tortilla Chip Day Tortilla chips are most commonly served with salsa! Grab some ingredients to make salsa. How much of each ingredient do you need to make a tasty salsa?
25	26 National Tooth Fairy Day If each tooth was worth 10 cents, and you have 32 teeth, how much money is that?	27	28	<p>Try DreamBox Learning: where serious learning is seriously fun! www.dreambox.com</p>
